

Registered Nurses at Saskatchewan Health Authority (SHA)

Current Career Opportunities

Are you a Registered Nurse that wants to work in a rewarding team-oriented environment with opportunities to excel at learning in different areas? We are currently searching for Registered Nurses to work in various communities that offer work life balance—Regina, Saskatoon, Kindersley, North Battleford, Yorkton, Weyburn, Prince Albert and other opportunities as posted on Health Careers in Saskatchewan (HCIS).

The SHA is the largest organization in Saskatchewan, employing over 43,000 employees and physicians responsible for the delivery of high quality and timely health care for the entire province.

Job Summary: Registered Nurses are responsible for the assessment, planning, implementation, and evaluation of individual client care and for the overall provision of total client care.

About the Biggar & District Health Centre

- The Biggar & District Health Centre has an Emergency, Department, Acute Care Services and Long Term Care, as well as community services including physiotherapy, Home Care, and Public Health.
- There are 53 long term care beds and 1 respite bed.
- The facility is conveniently located only one hour's drive from Saskatoon.
- The Town has two schools—Catholic and Public.
- This great community is very family friendly with so much to offer such as a swimming pool and hockey arena with adjacent curling rink. Take your family to a movie/theatre production or out for a night of bowling in our great town, or golf in a beautiful course only a few minutes from town.
- Mentorship and guidance from experienced Registered Nurses while learning new tasks

Required Qualifications:

Registered or eligible for registration with the Saskatchewan Registered Nurses Association (SRNA)

Basic Life Support for Care Givers (BLS-HCP)

Experience: No previous experience required

Hours of Work: Please refer to the specific Registered Nurse job postings you are interested in at the HCIS website. Part time, full time and casual positions available.
