

# TOWN OF BIGGAR SASKATCHEWAN

## SIDEWALK SNOW REMOVAL POLICY

1. Residents, Businesses and Institutions are encouraged to clean the sidewalks on the frontage and flankage of their private property in order that residents can utilize the sidewalks during winter months.
2. In areas where sidewalk cleaning is essential to accommodate high pedestrian traffic areas, the Town may, if the sidewalks are not cleaned, clean the sidewalks, time permitting, in the manner that the Town Foreman directs.
3. Sidewalk cleaning priorities will come second to opening traffic routes.
